Subject: ICERA2021 submission review request

Dear Assoc.Prof.Dr Do Nhu Y,

The Program Committee of ICERA2021 conference would like to invite you to be a reviewer for the following paper submitted to ICERA 2021:

Paper id: 206
Title: Building intelligent navigation system for mobile Robots based on the Actor - Critic algorithm

ICERA 2021 has started review process, we would very much appreciate if you could promptly find the time to give a quick look at this paper and decide whether you can accept the invitation to review it. If you kindly accept the invitation, please return your report within 10 days after you accepted the invitation. Please inform as early as possible if you agree to accept our invitation to review. We hope as part of academic community you'll appreciate our efforts to complete quality peer review within stipulated time period (as mentioned above). The instructions on how to answer this review request can be found at the bottom of this letter or click the following address: <https://easychair.org/conferences/?conf=icera2021>. You will have to create an EasyChair account first unless you have one already. We look forward to a positive confirmation.

Best regards,

Your Review
