Dear Nguyen Truong Xuan:

We are pleased to inform you that your paper submission  
No.: **OS-058**, titled :

**RESEARCH ON CUDA-BASED UAV IMAGE PROCESSING  
ALGORITHM FOR SEARCH AND RESCUE ASSISTANCES**

has been **ACCEPTED** for **Oral** presentation at the 2019 International  
Conference on Earth Observations and Societal Impacts (ICEO&SI 2019).  
The conference is to be held at the International Conference Hall of National  
Cheng Kung University, Tainan City, Taiwan, on June 23~26, 2019.

Thus, on behalf of the Organizing Committee, we gladly extend to you a cordial invitation to take part in this international conference, as well to remind you that all delegates are responsible for all costs related to the conference and visa requirements. At least one of the authors **MUST** attend and present the paper at the conference in order for it to be included in the proceedings. Papers that are not presented at the conference by one of the authors will be deleted from the ICEO&SI 2019 records. Please note that presentation at the conference by pre-recorded videos will not be accepted and considered as no show. Presenting authors **MUST** register for ICEO&SI 2019 by May 15, 2019 to secure a place in the technical program.

PLEASE NOTE: One regular registration may cover only up to two papers; one student registration may cover only one paper. Important information for attendees regarding travel visas to Taiwan are found on our website at <http://2019.iceo-si.org.tw/home/visa-info>.

We look forward to welcoming you to Tainan!

Chairman of ICEO&SI 2019
