Your review report for Environmental Earth Sciences.pdf;

Ref: "Experimental study to estimate the criteria for shallow landslides under various geological conditions"

Dear Dr Duong Nguyen,

Thank you for submitting your report to Environmental Earth Sciences. We greatly value the time and effort you put into reviewing the manuscript.

We've attached a copy of the report for your reference. You can also use this email to verify your review activity with third party websites, such as Publons.

Thanks again for your review; we'll email you the decision on the manuscript as soon as it is made. Meanwhile, we hope that we can continue to benefit from your expertise in the future.

Kind regards,

Editorial Assistant
