You don't often get email from info@igj-iraq.org. [Learn why this is important](#)

Dear Le Xuan Truong,

Thank you for completing your review of the submission, New research results on U-Pb zircon isotope age of Ta Cu granodiorite in Dalat zone and geological significance, for The Iraqi Geological Journal. We appreciate your time and expertise in contributing to the quality of the work that we publish. We have shared your comments with the authors, along with our other reviewers' comments and the editor's decision.

Based on the feedback we received, we have notified the authors of the following:

We have chosen to accept this submission without revisions.

Your recommendation was considered alongside the recommendations of other reviewers before coming to a decision. Occasionally the editor's decision may differ from the recommendation made by one or more reviewers. The editor considers many factors, and does not take these decisions lightly. We are grateful for our reviewers' expertise and suggestions.

It has been a pleasure to work with you as a reviewer for The Iraqi Geological Journal, and we hope to have the opportunity to work with you again in the future.

Kind regards,

Iraqi Geological Journal
