Based on the decision of the Editorial Board of the Indonesian Journal on Geoscience (IJOG) published by the Geological Agency, we agree to appoint and to choose you as one of the scientific reviewers of the journal. In that case, we request your assistance and willingness to review a paper entitled:

“Comprehensive characterization of reservoir variability with the rock typing methodology: A case study of Field F-A, Bredasdorp Basin, Offshore South Africa”

The result of your review should be sent to us at the latest thirty days since the above date. Should you have any objection, please contact us through the Secretariat of IJOG with email address: ijog.geologi@gmail.com; n.suwarna@yahoo.com; riankoswaraijog@gmail.com; ivan.ijgbg@gmail.com. The attached reviewing guidance of the paper should be filled in for the purpose of the Editorial Board in determining the acceptance of the paper.

We appreciate your willingness, attention, and cooperation.

Editorial Board of IJOG,
Chief

Dr. Nana Suwarna
